MADISONVILLE, KY –The City of Madisonville Sanitation Department began leaf pick-up on November 15, 2010. The service will occur every other week on the resident's regular garbage collection day.

For everyone's safety the Sanitation Department is asking residents to rake their leaves to the edge of the yard, but not onto the sidewalk or street. Limbs should be separated from the leaves and left in a single pile at the edge of the property.

If you have questions or comments regarding this information, please contact the Sanitation Department at 270-824-2117
