Hopkins County, KY - In the nightcap of the girls games in the Messenger Tip-Off Classic, the Madisonville Maroons won by a big margin as Tayla Foster scored 14 point by herself in the first quarter.

Missing two of their key players due to car issues, the team never missed a beat. Up by 6 at the end of the 1st quarter, the team rolled in the second quarter behind three point shots and a strong defensive effort. The Maroons enjoyed their locker room break as they led at halftime 37-21. The second half saw the Maroons step up their defensive pressure as they continued to enjoy a solid lead. Leading the scoring for the Maroons was Tayla Foster with 33 and Lyndi Tedder with 14 points.

The Maroon girls will be joining the Maroon boys as they will play Hopkins Central at the North campus on Tuesday night at 6:00. Come on out and support your local teams.
