Hopkins County, KY - If you were to a look at all of the losses that Madisonville North has this year, you would find that the majority were by less than four points.

Thursday night was no exception. With four minutes left in the game, the Maroons were down by 12 points. With some great defensive effort and some fine shooting, the Maroons closed that gap. Orlando Green had 1 three point basket followed by 2 by Joe Kington, which brought the Maroons within three points. The last minute and a half saw them tie Webster at 51 all and then they went up by two after making both free throws. Madisonville had the ball for the last shot, but couldn't get it to drop, losing 53-51.

Tonight is Homecoming at the Madisonville campus as the Maroons will play their third game in 4 days as they take on the Braves from Union County. Notice that the start time of the boys' game is a little different tonight as their starts at 6:00 with the girls playing the 7:30 game. The homecoming festivities will take place during half time of the boys' game.
