HOPKINS COUNTY

, KY - Tori Howard carded the lowest score of any girl in her division this year during her victory at The Summit Golf Club in Owensboro this week.

The decisive victory in the girl's 9-10 division was her second on the Go Golf Tour this summer. She began this summer's tour with a win at the Madisonville Country Club shooting a commanding 33 in a very competitive (and rainy) field. Her victory at the Summit was made possible by shooting a 3 on two of the six holes played. Other competitors in Monday's action included Abby Waide, Natalie Ellis, Maecy Brown, Maggie Nobbe, Shelby Darnell and Emory Fazenbaker.

Howard's victory made her the runner-up in the overall race for the tour championship which was decided after Monday's competition. Tori is the daughter of Todd (pictured) and Kristi Howard of Hanson.
